CHOPIN 1500 FV-VP

Product Description

The stylish Chopin range allows you to mix and match refrigerated rear serve counters with refrigerated open front self-serve displays, along with serving counters (till counters) to make a complete counter run to suit your requirement. The modern and stylish flat glass design helps create a contemporary feel in shops, delis and cafe environments. Premium design and build quality make it the go to choice available in number of different sizes, finishes and colours. Ambient and hot versions also available.
