

# Ventilated Scoop Ice Cream Display

## Bermuda View Range

**BERMUDA VIEW RV13**

**BERMUDA VIEW RV10**

### Product Description

Buying ice cream is a visual, mouth-watering experience, and the BERMUDA VIEW comes with super low front glass to enable all of your customers (including the kids) to be able to see what they are buying. Beside its super low front glass, it is a ventilated (fan assisted) display giving the advantages of even temperature distribution, while it also has separate understorage (unique for a ventilated unit) making it a highly versatile cabinet. Back up stock is only a door opening away, the front glass also conveniently hinges forward to make cleaning easier. It's sure to be a popular choice with the cost conscious but discerning ice cream seller.
