MILLENNIUM LX24

Product Description

The Millennium LX range of stylish ice cream scooping displays from ISA is a premium cabinet for the professional ice cream retailer. The unit comes in 12, 16, 18, 20 and 24 Napoli pan sizes. The large curved glass canopy creates a stunning display of all the best flavours, and the ventilated cooling allows the ice cream to be displayed prominently while keeping the ice cream or gelato at the perfect serving temperature. This is an ice cream display for those who want the best. There is also a matching patisserie model to complement the ice cream range.
